Children with Special Needs

A new part time course for parents and teachers.

The Melbourne Rudolf Steiner Seminar will offer a **new** course in 2012, for parents, early childhood educators, teachers and aides who work with children with special needs.

The course is designed to provide participants with information, strategies and tools which they can implement in their daily work with children, to assist them to meet their potential.

It will explore how we can support children exhibiting challenging behaviour due to:

- Aspects of modern life including chronic stress/ anxiety;
- Learning disabilities such as dyslexia; and
- ADHD or Autism spectrum behaviour.

Topics including:

- Stages of child development
- Learning through healthy movement
- Classroom management
- The Extra Lesson
- Art therapy
- Curative Eurythmy
- Curative storytelling
- The effects of TV/media, and technology
- Parenting/ Family life
- Protecting childhood/senses, rhythm and routine
- Diet and nutrition
- Psychology (stress/crisis eg., family break up etc)

Format:

- A lecture and discussion
- Participation in activity such as painting, games, exercises, singing, morning circle.

Duration:
